- **Condition of students who don't drink Milk**

In order to suspend school lunch milk, you will need to submit **School Lunch Milk Suspension Notice** and **Medical Certificate** (the certificate you provide has to be issued within 1 year prior to the submission date), or **The School Life Guidance and Management Form "Gakkou seikatsu kanri shidou hyou"**.

- Your child can't suspend and reduce the cost of school lunch milk because he/she dislikes milk.
- If you suspend school lunch milk, we can't provide juice or any other drinks.
- We can't provide just milk for students who can't eat the daily school lunch.

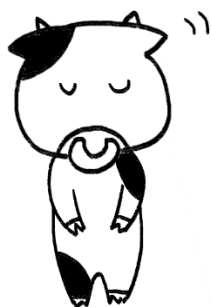

- **About the Fee for school lunch for students who can't eat bread due to allergies.**

In case of students who can't eat bread due to food allergies, we will not reduce the fee for school lunch, because the exact price of bread depends on the bread type, and it's very hard to reduce the exact cost individually. Thank you for your understanding.

- **About the Fee for school lunch when the class is suspended due to influenza, etc.**

When the class is suspended due to influenza or other compelling reasons, we will not reduce the fee for school lunch, because we can't suddenly stop the food orders. Please understand that costs are still involved.
